

## CORRECTION

# Standardization of conditions for the metabolic activation of *N*-nitrosodiethylamine in mutagenicity tests

Claudia Alessandra Fortes Aiub, Luis Felipe Ribeiro Pinto  
and Israel Felzenszwalb

Genet. Mol. Res. 3 (2): 264-272 (2004)

In the present article, all citations below made to mg should be read as  $\mu\text{g}$ , which is the correct unit of the concentrations analyzed:

Abstract - page 264, 9th line

Material and Methods - page 267, subsection: Survival experiments, 2nd line

Results and Discussion - page 267, 14th line

Legends to Figure 1 - page 268, 2nd line

Figure 2 - page 268, 2nd line

Figure 3 - page 269, 2nd line

Figure 4 - page 269, 2nd line

Figure 5 - page 270, 1st line
